Donation Process

Donation Process

1 - Registration

When you arrive at a plasma center, you will check in at the front desk. You will need to show a valid photo ID, proof of address, and proof of social security.

[Readmore](#)

2 - Screening

During the screening, you will give a blood sample and get your vital signs checked, including your blood pressure, pulse, and temperature.

[Readmore](#)

3 - Physical Exam

The first time you give plasma, you will receive a brief physical exam given by a trained medical specialist to make sure you stay in good health.

[Readmore](#)

4 - Donation

After approval, plasma center staff will set you up at a plasmapheresis machine that collects whole blood from a vein in your arm and it separates out the plasma.

Admin UI

The image shows a login page for 'Wc Admin!'. The background is a gradient of blue and purple with a faint ECG line. On the left, the text 'Wc Admin!' is displayed in large white font. Below it, a quote reads: 'Good governance depends on ability to take responsibility by both administration as well as people...'. There are two buttons: a dark blue one with a Facebook 'f' icon and a light blue one with a Gmail icon and the text 'Login with Gmail'. On the right, the text 'Admin!' is displayed in large black font. Below it, there are two input fields labeled 'user id' and 'password'. A green 'Login' button is positioned below the password field. At the bottom right, a link says 'Don't have an account? [Create Your Account](#) it takes less than a minute'.
